

Requests for Public Assistance

Release Date: Mar 10, 2023

FEMA's Public Assistance (PA) is a federal grant program administered by FEMA and managed at the state level by the Alabama Emergency Management Agency (AEMA). If a state, local government entity or private nonprofit organization, including houses of worship, wishes to seek PA funding, it must first submit a Request for Public Assistance (RPA) to FEMA within 30 days of the respective area being designated in the declaration.

FEMA has extended the deadline for the 11 Alabama counties designated for PA at the request of the state of Alabama.
